Leave my retirement account alone. None of us need anyone in the fiscally irresponsible US government making financial choices on our behalf. Your heavy-handed audacity is beyond belief! After you get your financial house in order then you can sit down and discuss mine with me. Until then STAY OUT OF MY FINANCIAL AFFAIRS! You do not even have the right to make decisions as to whether or not I trade options in my retirement account. I am the ONLY one who has that right. Time to call the ACLU.

I will close my retirement account if this stupidity is put into effect. Those funds will join in the underground economy. You still will not get taxes on them.
